

Once you have received your schedule (in July), you will be able to purchase textbooks through the eCampus online bookstore link: <https://tampacatholic.ecampus.com/>. Some of our courses will be using an iBook or ebook. ALL book information regardless of textbook or digital book can be found on the eCampus website. Students must use their Tampa Catholic email address and password to log in to purchase books. (For first time users - if your password doesn't work, try the "Forgot your password?" option to have it reset). **Incoming students should wait until they receive their iPads before downloading any of their digital books.** Below are some "how to" guides:

For additional help with purchasing or returns, please contact the eCampus Help Desk or Customer Service.

On campus, students can seek assistance from the Assistant Principal, Mrs. Lisa Varn (lvarn@tampacatholic.org).
