

## **Crusader Football – 2020 Policies and Guidelines for Game Attendance:**

Due to the ongoing Covid-19 crisis, there will be strict limit on the number of spectators for our home football games. It is our hope that as the numbers in the state improve, these protocols can be modified for future games. We will be reviewing these rules on a week to week basis. Please note, the following protocols will be in place for all spectators:

### **Ticketing:**

- The game capacity will be 500 spectators.
- Pre-sale tickets only. No ticket sales at the gate. A list of all spectators will be recorded for potential contact tracing purposes.
- All spectators must present a ticket at the gate.
- Pre-sale tickets will be sold to the players/coaches, cheerleaders and Crusaderettes on Monday and Tuesday. A maximum of 4 adult tickets per participant.
- Remaining tickets will be sold to the students from Wednesday – Friday.
- If tickets remain, they may be sold to the general public.
- The visiting team will also have a small allotment of tickets.

### **Safety Measures:**

- Seating in the bleachers will be limited to ensure social distancing. Social distancing along the fence perimeter and other areas must be maintained.
- Masks will be required for all spectators in the stadium.
- Hand sanitizer stations will be located throughout the stadium and on the sidelines.
- Only spectators with a pre-sale ticket will be permitted in the parking lot.
- Gates to the parking lot and the stadium will be closed and locked from 4:00-6:00 PM before the game.
- Gates to the parking lot and Stadium will open at 6:00 PM.
- Absolutely no pregame parties or tailgating will be permitted.

We hope you understand the limitations and constraints that we are under as we attempt to ensure the safety of our players, coaches and spectators. We know that this will limit our school community's participation in the event but it is our hope that we will be able to relax these policies as the year moves forward. We will provide an update on a week to week basis.
