During the first quarter, students will be assessed on their understanding and comprehension of the text. Students should be able to: Comprehend the basic elements of the book: plot points, names of characters, when and where the book takes place, etc. Reflect upon the book, making connections to self, other texts, and the world. Discuss the assigned book with their peers and teacher. Write about the assigned book, including details and evidence from the text to support their points. iPads / Calculators

iPads: iPads are issued at the beginning of each school year to new students. **See orientation and back to school meetings for new students.**

Tampa Catholic High School is committed to student use of technology as a tool to expand learning opportunities and conduct scholarly research. The use of technology facilitates global collaboration—a vital skill for 21st century learners. Students at Tampa Catholic utilize their 6th Generation Apple iPad on a wireless network. Apple iPads and the wireless network on Tampa Catholic's campus are strictly for educational use consistent with the school's educational goals. Along with the opportunity this provides, comes responsibility. This Acceptable Use Policy (AUP) is designed to give the student and the students' family, as well as others on campus, clear and concise guidelines regarding the appropriate use of the Apple iPad. The underlying premise of this policy is that all members of the Tampa Catholic community must uphold the values of honesty and integrity. We expect our students to exercise good judgment and to utilize technology with integrity.

NOTE: Students are entirely responsible for backing up their own data.

- ▶ The Apple iPad should be handled with care. Inappropriate treatment of the school Apple iPad is not acceptable.
- ▶ No writing/stickers will be allowed on the Apple iPad /Apple iPad cases; these are not to be defaced in any way.
- ▶ Do not remove, move or write on the identification sticker on your Apple iPad.
- ▶ Students are not allowed to create any administrative passwords on their Apple iPads.
- ▶ Students are expected to come to school with a fully charged battery on a daily basis.
- ▶ Students are not to remove the case or screen protector at any time.

Calculators: Students are required to purchase a TI-Nspire CX calculator (non-CAS model) for their math classes.

Books / Canvas

Books: Once you have received your schedule (July), you will be able to purchase textbooks through the MBS online bookstore link (see TC website Quick Links button, top right on each page). Some of our courses will be using an iBook or EBook for their course study. ALL book information regardless of textbook or digital book can be found on the MBS website. **Incoming students should wait until they receive their iPads before downloading any of their digital books.**

Canvas: In the fall of 2018, Tampa Catholic will be replacing Edmodo with Canvas as our Learning Management System. Canvas is known for its user-friendly online environment and ability to easily connect instructors and students both in and out of the classroom. Canvas will help teachers to administer, document, track, report and deliver educational courses and content. Canvas will allow our instructors to administer assessments, create and grade assignments, facilitate discussions, track student progress, manage records and grades and share information. Canvas will help student organization by providing school and individual course calendars and electronic reminders, and email communication. Canvas seamlessly integrates with other educational applications to provide a robust learning environment. Student work can be submitted and graded electronically through Canvas. Parents and students will be able to access grades through Canvas. Canvas is web based and is accessible through the Canvas app or on your PC. Canvas will be integrated with our existing 1:1 iPad Program.

Student Schedules

Completed schedules will be emailed to the parent/guardian in mid-July to all registered students. If you did not receive a schedule, please call the main office at 813-870-0860.

The final schedule was completed for your student through a very comprehensive process. Each of the core courses were selected in conjunction with the pre-requisites clearly outlined in the course catalog. In addition, our teachers were asked to meet by department and were given a transcript of each student, a list of all standardized test scores, including the EXPLORE, the PLAN, the PSAT (which determines AP potential), the PERT (college placement test for Dual Enrollment classes), the ACT and SAT. They were also provided with not only cumulative weighted and unweighted grade point averages, but individual grade point averages by discipline. With this extensive information, teachers met collaboratively by Department and made their course recommendations for each student.

As a result, we are very confident that the placement that was made in all core courses is accurate and in the best academic interest of the student. Therefore, there will be no core course level changes without Administrative consultation. Once we accumulated the information from the teachers on core classes, the guidance counselors asked each of the students to hand in a sheet of elective choices that they would be interested in taking. Students were asked to rank in order of preference 6 options. Amassing all of this information, we created this final schedule. During second semester guidance counselors met with current students, and went over the schedule for accuracy and input.

Incoming Freshman choices are limited to one physical education class and one performing arts class as required by the State Department of Education, for a total of seven (7) classes and one (1) lunch period. The schedule that you will be emailed is a direct result of the extensive review by the admissions committee.

Students are assigned to a guidance counselor according to their last name.

Service Hours

Tampa Catholic requires every student to complete the following number of service hours depending on the current grade of the student: Freshmen and Sophomores 10 hours per semester, Juniors and Seniors 15 hours per semester. Students may complete more than the required number of hours per semester after the minimum requirement is met and all hours must be logged into the community service site, X2Vol.com. The Director of Mission Effectiveness will verify students' service hours each semester..

Lunch

Lunch: All students must remain on campus during the lunch period. Lunches may be purchased (cash or debit card) in the cafeteria, or students may bring their own lunches and eat in the cafeteria. **Lunches should not be ordered or delivered to the school for students to pick up.** Currently there are three lunch periods during the academic day at Tampa Catholic. Our lunch program at Tampa Catholic is provided by "Catering by The Family". Catering by the Family sets the daily menu and prices. Drinks are available for purchase. There are also several microwaves and plastic eating utensils for individual use. The Deans are present in the cafeteria during the lunch hours. See the Student Handbook, page 15 for reference.

After-School / Athletics

After School Activities and Athletics: Tampa Catholic High School recognizes the importance of co-curricular activities in a well-rounded high school experience. Participation in all co-curricular programs, including varsity and junior varsity athletics, service organizations, and special interest clubs is considered a privilege and not a right of Tampa Catholic students. Therefore, membership on any team or in any club is contingent upon a student's satisfactory academic and behavioral comportment. The privilege of participating in any co-curricular program may be revoked by the Administration for serious violation of any campus rule or Code of Conduct.

Students participating in conditioning or trying out for athletic teams or other activities must be re-registered for the new school year. Supervision for sport and club activities will begin at the scheduled start time of the event and continue for thirty (30) minutes after completion of the event.

Students must have a complete, up-to-date sports physical and liability form on file before participation in any athletic sport. FHSAA requires that all student athletes complete an online course titled "Concussion in Sports". The free course is offered at the National Federation of State High School Associations' education website, www.nfhslearn.com. This course is mandatory for all FHSAA member school athletes and must be completed before the first day of your sport's practice.

▶ **See the Athletics link on the website to download the forms.**

Parent Need To Know

Parent Service Hours: It is the parents' or guardians' responsibility to volunteer for the activities of their choice. Parents and guardians are encouraged to become involved in the Tampa Catholic community according to their interests and talents. Together we will continue to provide our students with a well-balanced and strong Catholic education.

Each Tampa Catholic family is required to volunteer ten (10) service hours annually. Community service to other non-profit organizations, while charitable, does not count toward the Tampa Catholic parent service hour requirement. In lieu of performing service hours, a family may choose to pay \$200. Refer to Student Handbook page 37.
