Tampa Catholic High School believes that the education of our students is a partnership with our families. We encourage parent involvement through our Parent Service Hour Program. The program is an opportunity for each family to help us accomplish our common goals in providing a solid Catholic education, a healthy, safe and attractive atmosphere in which to learn. **Each family with a student enrolled at Tampa Catholic is required to volunteer ten (10) service hours annually.** The service hours must be completed, or scheduled (for an end-of-the-year event) no later than the last week in April and each family's service hour card must be turned in via e-mail or to the Administration office on or before that time. Exemptions for health or other reasons must be approved in advance by Felicia White in the Advancement Office. **Thank you for your support and partnership in the education and formation of our students.**
